CLEVERTOUCHPLUS

75" Clevertouch Plus 1080p

The Intuitive Digital Experience Made for Education

Designed for education, Clevertouch Plus interactive touchscreens have found their home in the classroom. Clevertouch has none of the disadvantages of projectors: no obscuring shadows and no issues with bright light. Our entire range showcases beautiful screens and simple controls, allowing teachers to focus on what really matters: communicating ideas to their students.

Built specifically for the demanding school, college and university environment, the Clevertouch Plus is built without compromise. An all metal frame, 4mm safety glass, and a 5 year de-install/re-install warranty guarantees your Clevertouch Plus will be enhancing your classroom for many years.
